## Insert Citations

Tools → Citations

Create citations within a document, add in-text citations and a works cited list

The screenshot displays the Google Docs interface for a document titled "Report". The top menu bar includes File, Edit, View, Insert, Format, Tools, Add-ons, and Help. The "Citations" sidebar is open on the right, showing the "Format style" set to "MLA" and an "Add citation source" button. Below this, three citation sources are listed: "Bradbury, Ray. *Fahrenheit 451*. Simon and Schuster, 1967.", "Fitzgerald, F. S. *The Great Gatsby*. Scribner Paperback Fiction, 1995.", and "Westover, Tara. *Educated: A Memoir*. Random House, 2018." At the bottom of the sidebar is an "Insert bibliography" button. The main document area contains a template with fields for "Your Name", "Professor Name", "Subject Name", and "04 September 20XX". Below these is a "Title of Your Report" field and a large block of placeholder text: "Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed diam nonummy nibh euismod tincidunt ut laoreet dolore magna aliquam erat volutpat. 'Ut wisi enim ad minim veniam, quis nostrud exerci tation ullamcorper suscipit lobortis nisl ut aliquip ex ea commodo consequat' (Fitzgerald 328). Duis autem vel eum iriure dolor in hendrerit in vulputate velit esse molestie consequat, vel illum dolore eu feugiat nulla facilisis at vero eros et accumsan."
